QUALITY IMPROVEMENT ANALYST

Role Title: Program Administration Specialist II

Position #00174

Pay Band 5, Level II - Hiring Range: \$39,384 - \$71,158

Closing Date: August 13, 2007

The Department of Medical Assistance Services (DMAS) is in IMMEDIATE need of an experienced Quality Improvement Analyst to shape Agency policy for the management and improvement of the quality of health care services provided to the Virginia Medicaid and FAMIS populations. This position manages the contract with the External Quality Review Organization (EQRO) for the performance of focused studies and comprehensive reviews of the managed care, transportation, and dental services provided to these populations. In addition, this position plays a key role in the development, evaluation, and implementation of various quality improvement activities to support other critical Agency initiatives for disease management and integration of acute and long term care. Candidates must be able to conduct research independently to measure, evaluate, and report on outcomes. Must have considerable knowledge of health care programs, contractual agreements, HEDIS measures, and NCQA requirements. Should have proven ability in contract development and management. Must have strong interpersonal skills, with the ability to work well with professional groups and external vendors. Must demonstrate excellent written and verbal communication skills. Prefer degree in public health, medical or related field (education, training, experience interchangeable).
